Superintendent Update - See Attached

Policy Review (VOTE)
Abby Besse reviewed the changes to the Mask Policy – File EBCFA that was presented at the previous meeting. The policy adding language to accommodate spacing during eating periods and water breaks when students are unable to be outdoors.

Suzanne Allen made the motion and Sharlene Cronin seconded to approve Policy EBCFA as amended.

VOTE Allen (Aye), Besse (Aye), Cronin (Aye), Molloy (Aye), Redinger (Aye).

Suzanne Allen presented the COVID-19 Travel Policy. She explained that the state is no longer keeping a map of the lower risks states and has changed the travel order to an advisory making the policy unclear. Suzanne Allen suggested the policy be changed to reference the CDC guidelines. She also suggested adding language that would recommend employees and students
continue the COVID safe schools testing before and after travel. It was decided that the Policy Subcommittee would need to meet to update and clarify the policy language before the Committee would be able to approve it. The School Committee will hold a quick meeting on Monday, March 29th after the Policy Subcommittee has had time to review and update the policy language based on the new state and CDC guidelines.

The Committee reviewed the policy “Spacing Between Students and Teachers and Staff” that was presented as a first read at the previous meeting.

Sharlene Cronin made the motion and Suzanne Allen seconded to approve the Spacing Between Students and Teachers and Staff - Covid 19 policy as presented.

VOTE Allen (Aye), Besse (Aye), Cronin (Aye), Molloy (Aye), Redinger (Aye).

Start time Proposal (VOTE)
Dr. Dwight presented a proposal to adjust the start time at Bromfield from 7:45 a.m. to 8:15 a.m. with an ending time of 2:50 p.m. to provide our middle and high school students with a half hour longer in the morning to sleep and prepare for their school day. This adjustment to the Bromfield schedule will require a shift of 10 minutes for the elementary students from a school start time of 8:50 a.m. to 9:00 a.m. and an ending time of 3:30 p.m. The shift would be a one-year pilot so that we could evaluate the impact and either continue with the change or shift back to the original times depending on the feedback. This evaluation would be done in the spring of 2022. A survey to parents/students/teachers/staff showed that a majority of the stakeholders support the start time proposal as a pilot.

Suzanne Allen made the motion and Abby Besse seconded to approve the start time proposal as presented.

VOTE Allen (Aye), Besse (Aye), Cronin (Aye), Molloy (Aye), Redinger (Aye).

Calendar Review
Dr. Dwight presented the school year calendar for 2021/2022 with two options. One has a start date of August 23rd and the other has a start date of August 30th. A vote by staff for the preferred calendar resulted in a fairly even split. Per contract, the calendar using the August 23rd start date would need a vote of the HTA because it requires teachers to begin the school year more than a week before Labor Day.

Suzanne Allen made the motion and Sharlene Cronin seconded to move to support the earlier start date pending a positive vote from the HTA. If the HTA votes against the earlier start date the School Committee agrees to approve the start date of August 30th.

VOTE Allen (Aye), Besse (Aye), Cronin (Aye), Molloy (Aye), Redinger (Aye).

Choice Student Slot Allocation (VOTE)
Dr. Dwight presented the leadership teams recommendation for School Choice openings for the 2021-2022 school year as follows:
5th grade – 5
6th grade – 2
7th grade – 2
9th grade – 1
SusanMary Redinger suggested removing slots in grade 7 for the reason that it would bring the class to over 10 school choice students enrolled. The recommendation would be to draw down the school choice carry over to make up for the funding difference.

Sharlene Cronin made the motion and Suzanne Allen seconded to approve the amended choice recommendation with the amendment being the removal of the two proposed 7th grade choice students with the rest remaining as proposed.
VOTE Allen (Aye), Besse (Aye), Cronin (Aye), Molloy (Aye), Redinger (Aye).

District Van Purchase (VOTE)
Dr. Dwight requested approval from the School Committee to purchase up to three vans from CASE Collaborative for $1,000 each.

Abby Besse made the motion and Suzanne Allen seconded to move to approve the purchase of up to three van as presented.
VOTE Allen (Aye), Besse (Aye), Cronin (Aye), Molloy (Aye), Redinger (Aye).

Capital Projects Update
Dr. Dwight explained that the architects at Abacus have completed the construction level drawings. When they sent the drawing out for an updated cost estimate, the pricing came in over budget due to much higher price of steel and other materials. To make up the difference they are taking out the programmable lighting system and making some design changes. They will then send the project out for bids. If the price is still too high, we may consider doing the project during the fall instead to avoid the summer crunch prices.

Dr. Dwight reported that Abacus is interested in helping us with the study of the locker rooms. Patrick Harrigan reissued documents needed to receive quotes and sent it out to this architect firm and others.

Dr. Dwight reported that there are 8 companies that came for a walk through for the HVAC bid. Bids are due on March 25th. Construction could begin in June as these are funds that were allocated at the Town Meeting last year.

Chorus Face Masks - $3,317 – Fanfare – Mr. Robbins
Outdoor Mask Breaks - Safe Movement and Play – $244.25 - HST – Amy Bassage
