Field Trip Step 1B

Directions: Complete the information requested below. Please include information about the history of the proposed field trip (if relevant) and travel documents (if necessary). You may attach additional sheets.

All faculty chaperones must fill out the two disclosure forms (1b and 14d) required by Massachusetts General Law. These two disclosure forms must be submitted with this sheet, and are available in the Main Office.

Purpose of Field Trip:

I am proposing a field trip to Yale University the weekend of September 15-17, 2017 in order to bring a maximum of 10 debate students to compete in a nationally ranked debate tournament. This tournament, as all of our tournaments, are built around the research and debate of a particular diplomatic and political debate topic which will not only allow students to increase their skills in public speaking and research, but also build important skills in critical analysis, cross-curricular synthesis, and formal writing.

Trip Itinerary:

Sept 14th – Depart Bromfield after close of school
- take train from Boston MA/128 stop to New Haven, CT
- Arrival in CT / hotel check in

September 15th – Tournament 8am-8pm

September 16th - Tournament 8am-8pm

September 17th- Tournament rounds 8am-1pm, train home to MA, 2pm.
- Arrival at Boston, MA/128 train stop (approx. 5pm.)
- Return to Bromfield.

Step 1. Assess Progress Towards Goals:

Superintendent's Performance Goals

Professional Practice Goal: Strengthen the new Leadership Team by providing training, feedback, and collaboration to improve adult and student learning. Measure: By June 2017 a minimum of 8 specific trainings have occurred. Evidence of training content incorporated into faculty meetings and classroom practice.
Student Learning Goal: Advance innovative teaching and learning for Harvard teachers and students by researching, planning, collaborating and taking steps in the area of STEAM, global learning, and project based learning. Measure: By June 2017 we will have visited 5 school districts to discuss their innovative programs. We will have read and discussed at least 5 sources of research or literature articles. We will have developed plans to move innovation forward in our district.

District Improvement Goal: I will make an additional year's worth of progress towards the District Improvement Plan Goals as identified by the Strategic Plan through my role as superintendent and as a participant of the Leadership Teams as measured by the Progress Report.
Other Goal: Network with other districts to learn from them and strengthen the relationship of our leaders and teachers with educators in other districts. Measure: By June 2017 we will have attended 5 learning opportunities with members from other districts where collaboration is part of the event.

6 responses

Other Goal: I will lead the district's Massachusetts School Building Authority process through the feasibility phase. Measures will include meeting deadlines, defining committees, hiring the OPM and architects and gaining community input.

6 responses
1: Contract Negotiations: To conduct successful contract negotiations between the School Committee and the HTA that result in an agreement that aligns with the Strategic Vision for the district. Measure: By February 1st a new Teacher's Contract has been ratified by the School Committee and the HTA.

6 responses

2: HES Renovations: Goal: To design and implement modifications to HES making it a safe, attractive, environmentally efficient building that is consistent with the district Vision and within the financial capacity of the town. Measure: By Town Meeting of 2018 a schematic plan and funding for modifying HES have been approved by the town and a timeline has been established for construction

6 responses
3: User Fees. Goal: To have a financial plan for athletic expenses that stabilizes user fees for at least 3-5 years. Measure: By June 30, 2017 a funding plan/structure has been implemented that ensures that athletic expenses will be covered through a combination of user fees and other sources (clearly defined in the plan) for the next three fiscal years.

My selections of Proficient reflect the description of "the expected rigorous level of performance". Being able to provide a high level of instructional leadership amid all the other district initiatives and unplanned diversions is commendable.

Greater understanding of personalized practices as discussed with the Committee will enable assignment of a rating for I-B.

Dr. Dwight is especially focused on instructional leadership. She takes to heart part of our vision statement that Harvard Public schools is a leader in educational excellence. She devotes much time and focus to this standard.

In an already high-performing district, Dr. Dwight has managed to infuse the district leadership and faculty with a renewed sense of vision and focus. Her commitment to the Harvard Public Schools being at the forefront of innovative teaching and learning has inspired a willingness to learn from other districts and improve upon the solid teaching skills and practices for which we are known. I suspect that it is not easy to balance the need for district management with the desire to focus on creating and implementing new programs and curriculum, but I know that Dr. Dwight's attention to this aspect of the district will continue to grow and lead us in the future.

Dr. Dwight has communicated with all segments of our community in an effort to help everyone to better understand concerning events, and to take steps to reassure our students and to provide a safe and nurturing environment for them. Dr. Dwight has added a question to new hire interviews that asks candidates to articulate how they will further the District's vision.

Dr. Dwight has a complete and astute understanding of management and operations of the District. She communicates proactively with administrators, school maintenance, and town boards as needed. Dr. Dwight is focused on what is best for our students.

Dr. Dwight has grown significantly as a manager and leader of our district during her first three years as a superintendent. Just this past year she hired two new principals, navigated the district through acts of racial defamation and harassment, successfully navigated a new teacher's contract with long-sought changes to health care premiums, managed the district's finances with a new, part-time business manager and oversaw the town's largest building project to date. All the while maintaining a high-functioning and accomplished district with a closely involved community. Many times her work behind the scenes and early intervention into potential problems has resulted in quick and satisfactory resolutions which has often gone unnoticed.

We've seen positive growth around addressing and communicating bias incidents and the work you've done connecting the school and the larger community around inclusion and diversity is appreciated.

Dr. Dwight welcomes and engenders parent and community feedback and involvement in the district. This past year she has organized and hosted numerous public forums and surveys to involve the public and potentially their say in a major decision to replace the elementary school.

Dr. Dwight has worked hard at building and strengthening the relationship between the schools and the community. She initiated a town-wide collaboration in the aftermath of the defacing of the school rock - an incident that shocked and concerned students, faculty, families and residents and has consistently partnered with various boards, committees and individuals to serve the needs of our students both at home and in school. Her ability to resolve conflicts on even the most challenging issues is a highly valued contribution to our district.
IV-A. Commitment to High Standards: Fosters a shared commitment to high standards of service, teaching, and learning with high expectations for achievement for all.

Dr. Dwight and the Harvard Public Schools strive and shine in leading a district where the success of the students and faculty of the highest priority.

I am consistently impressed with Dr. Dwight's people communication skills. She is completely approachable, she is knowledgeable about all HPS subjects, and she politely yet firmly stands her ground to defend her decisions and policies.

I miss the ability to rate between Proficient and Exemplary. Although I rated most areas proficient, Dr. Dwight and the district are to be commended in their exemplary leadership and success for the district. Our Vision Statement is being realized every day.

Dr. Dwight identified a financial plan for athletic expenses that stabilizes user fees for at least 3-5 years. In addition, Dr. Dwight proposed using a building rental account for the purchase of team uniforms on a rotating basis. This combination presented a creative resolution to this long-standing issue.

My assessments should perhaps be weighted proportionally less than those of other committee members due to my relatively recent election to the committee. In my limited time so far, I've observed Dr. Dwight to be a very professional leader and administrator. She has established strong working relationships with teachers, staff, and the school committee. I sense that almost everyone is striving towards the same goals, as outlined in our vision statement, and this is evidence of her leadership skills.

Dr. Dwight is such an asset to the Harvard Public School District. Her leadership and willingness to stretch herself, (with a school building project) added on to all other Superintendent duties is an inspiration to me and hopefully the larger community. She supports, encourages, defends and celebrates teachers, administrators.
parents and most of all students. Working with her has inspired and strengthened my commitment to serve on the SC.

Harvard is extremely fortunate to have Dr. Dwight as our Superintendent! In many years working with executives and leaders I have rarely met someone with such strong management and leadership abilities. Her passionate commitment to the students and faculty comes across in every aspect of her work. She is adept at building teams, empowering others and fostering partnership across the district. Her communication skills are top notch. She has built a solid foundation in the past three years while grappling with some significant challenges. I look forward to what the next five years hold for our district as Dr. Dwight's vision and forward-thinking continues to redefine what excellence and accomplishment looks like in Harvard.
I. **Hildreth Elementary building project update**  
*Standard II: Management and Operations*  
*Standard III: Family and Community Engagement*

Here is a list of the actions completed in past months:

- Hired five teacher liaisons for the building project
- Visited four, newly built schools
- Held a workshop to further the design including massing, traffic/site, and adjacencies
- Passed out postcards to individual households inviting them to an abutters’ meeting
- Held a meeting with the abutters
- Attended the MSBA board meeting and received approval to enter the schematic design phase of the project

II. **Leadership Summit**  
*Standard IV: Professional Culture*  
*Standard I: Instructional Leadership*

We inspired each other at a two-day leadership summit. Teacher leaders joined us for the afternoon of the first day. See the attached agenda for more details.

III. **Van Use Update**  
*Standard II: Management and Operations*

Thank you for approving the purchase of the van for district purposes. It has already been used six times including transporting families and students from Transitions and to tour new teachers around the district.

IV. **Science Lab Update**  
*Standard II: Management and Operations*

Contractors removed the asbestos and air quality checks came back clear. Meanwhile, Marie S. sent out four separate bid documents for flooring, concrete, electrical and plumbing. Only two areas received responses, leaving us unable to move forward. After brainstorming together Peter sought another source for contractors. We are very close to securing all four areas and schedules are being worked out by Mark, Peter, and me.
V. New Staff Orientation

*Standard II: Management and Operations*

Dawn-Marie Ayles was hired to lead the program this year and she has already made several improvements. The changes to the first day included a tour of Harvard and Devens in the new van, differentiated aspects of the schedule, and providing time for new technology set up. Dawn-Marie has coordinated meetings throughout the year to continue with other required topics and to provide support.

VI. Technology Instruction

*Standard I: Instructional Leadership*

We have partnered with EdTech Teacher for year-long coaching professional development and the first day was this past Thursday. Teachers are learning ways to integrate technology into their subject areas. The talented facilitator, Greg Kulowiec, knows how to make the learning relevant for teachers across the grade levels and with access to different learning devices. We have 25 teachers participating and more hoping to join a second cohort next year.

We also held a training on the Power School Analytics dashboard. Teachers were invited to participate with short notice and several attended. They will help train others on the use of the program once full implementation is possible. The developers shared their new timeline for completion as the end of September. Once it is ready, we will have a demonstration for the School Committee.

VII. New Hires, Retirement Change and Late Retirement/Resignation

*Standard II: Management and Operations*

We have hired ten professional staff positions and two aides throughout the summer. We have attached resumes.

VIII. Technology Distribution

Students and families were invited in to the high school to pick up their 1:World devices. Beth Cregan’s organization skills helped make the roll out extremely smooth as she had designed a labeling, boxing, easy to follow directions, and hand-out format with attention to efficiency. Chris Boyle and his team set up the programs and passwords for ease of use.

The parents and students seemed excited about the new learning possibilities. Scott and Robin were on site to answer questions and share information. Similarly, Josh
and Scott M. shared information and answered questions for fifth grade students and their families at an evening event at Hildreth Elementary School.

Members attending: Mary Traphagen, Jon Green, SusanMary Redinger, Nancy Lancellotti, John Ruark, Peter Rowe, Maureen Babcock, Linda Dwight.

Mary Traphagen called the meeting to order at 11:00 a.m.
Mary Traphagen read the Vision Statement.

Mary Traphagen introduced Claire Cohn to facilitate the meeting.

Board of Governance Review
Claire Cohn presented to the Committee a governance rubric for continuous improvement followed by a presentation on building a high functioning School Committee – Superintendent team.

Goal Setting
The School Committee/Superintendent Joint Goals for the 2017/2018 school year are as follows:
   1. Student Achievement
   2. Communication Plan
   3. Hildreth Elementary School Building Project

Superintendent Evidence Review
Dr. Dwight shared narratives in an evidence binder to support the completion of her goals in conjunction with her evaluation. Committee members were asked to return the Superintendent evaluation to Mary Traphagen by August 14th in order to compile the results and present at the August 28th meeting.

Approval of the HES Handbook
The Committee reviewed and approved the HES handbook.

SusanMary Redinger made the motion and Nancy Lancellotti seconded to approve the HES handbook pending insertion of the correct anti bullying language as directed by Dr. Dwight.

Nancy Lancellotti thanked Claire Cohn for facilitating the meeting and presented Mary Traphagen and SusanMary Redinger with a gift in appreciation for their work on successful contract negotiations with the HTA.
Mary Traphagen – thank everyone for coming in. It is nice to have Claire here to facilitate. Mary reminded everyone of the MSBA visits to new schools on Thursday at 9 a.m. starting at HES.
Linda Dwight explained to the Committee a complication with the bidding process that has resulted in a delay in the Science Lab project getting started.

Adjournment:
Nancy Lancellotti made the motion and Mary Traphagen seconded to adjourn the meeting at 2:43 p.m.

Respectfully submitted:

End of Year Financial Report
Town Finance Director, David Nalchajian was in attendance to report on the end of year financial close out. The school department’s general ledger has a zero balance for all known commitments. The Committee will review the budget to actual line items and send any questions to Dr. Dwight to be reviewed at a later meeting. David Nalchajian reviewed the revolving fund accounts which showed no surprises. When School Business Manager, Peter Rowe gets back from vacation David Nalchajian and Peter Rowe will finalize the numbers and report back to the School Committee at the August 28th meeting.

David Nalchajian explained that the School Committee will need to sign off on the P-Card purchases. In the future there will be an additional warrant sign off page for P-Card purchases.

Grant Approval
The Committee reviewed for approval a gift from Harvard PTO for $1,574.75 for Wobble Chairs for Hildreth Elementary School.

SusanMary Redinger made the motion and Jon Green seconded to approve the gift from the Harvard PTO for $1,574.75 to purchase Wobble Chairs for HES.
VOTE 3/0

Van Purchase Discussion and Vote
The Committee discussed the benefits of having a van for school trips in lieu of hiring a bus and driver from Dee or other bus companies. The Committee agreed that it could be a cost savings as well as convenient option. The Committee asked the Superintendent to come up with an acceptable use policy and a usage log. The Committee agreed to approve the purchase of the van from CASE contingent upon maintenance cost being reviewed by the School Committee and reevaluating usage and maintenance costs next year.

SusanMary Redinger made the motion and Jon Green seconded to move that we approve the purchase of the CASE passenger van at a cost of up to $1,600 and request that maintenance cost be brought to the Committee before approving and that we review the usage in a year.
VOTE 3/0
Handbook Approval
Tabled to the July 31st meeting.

Superintendent Report
*Personnel Updates
Adam Mackie was hired as the sixth grade Science teacher at TBS to replace Glenn Tarullo. Scott Mulcahy started full reign this week as Associate principal at HES. Positions still needing to be filled are .5 Speech at HES, .5 Pre-K teacher at HES and a Learning support teacher.
*Arm & Arm
The Arm & Arm Group continues to move inclusion topics forward in the town. There was a movie last night, the series and events are tending to be attended by committee members. This Thursday will be the first discussion of the book “Waking up White”; books are available for sale from Dr. Dwight. The event is being held in Volunteers Hall at 7:00 p.m. On July25th there will be a Bystander Training being held in Volunteers Hall- prior registration is required. It is the hope that some Bromfield students will attend and if it is determined to be a success, the program could be brought to the high school next year. Arm & Arm had a nice presence at the 4th of July parade. Summer cleaning is on schedule. Hildreth Elementary School is being done first. Durkin is doing a great job.

Building Committee Update
On August 1st members of the SBC, Visioning Committee, interested community members and teachers plan to tour four new, local schools.

Personnel Spreadsheet
The Committee reviewed the 2017/2018 Personnel spreadsheet which showed a surplus of $89,256 with an English teacher, Special Education teacher and .5 Speech/Language Pathologist yet to be filled.

Review meeting minutes
SusanMary Redinger made a motion and Jon Green seconded to table the approval of the June 26th minutes to the next meeting.
VOTE 3/0

Liaison Subcommittee reports
SusanMary Redinger reported that the Capital Planning and Investment Committee discussed that there is an amount allocated beginning in the year 2022 as an offset of $300K for school projects. It is CIPIC's understanding that the School Committee agreed to funding that amount from the Devens revolving fund each year. SusanMary Redinger explained to CIPIC that funding hasn’t been approved by the School Committee. They would like a number to design and plan around. We will need to discuss if we want to put a number there. SusanMary Redinger with approval of the Committee will reiterate that the number has not been voted on and should not be counted until a vote is taken.
The Green energy funding got approved for the lighting project at TBS but there are still monitors that need to be fixed. Mark Force needs to weigh in on fixing the monitors at a cost of $70K.

**End of Year Report on School Improvement Plans**  
Sue Frederick, Josh Myler, Scott Hoffman, Robin Benoit and Julie Horton presented the Harvard Public Schools School Improvement Plan Progress Report for 2016/2017. The administrators shared goals, strategies, time-lines, resources, measurements and percentage completed for the following: District Core Values: Student Achievement, Personal Growth, Partnership, and School Climate.

**Review of the Handbook**  
Josh Myler presented to the Committee the proposed updates and changes to the Hildreth Elementary School Handbook. The Committee asked that the information relative to the Bullying Policy be updated to reflect changes made to the policy over the past year. Josh Myler will bring back the changes at the next meeting.

**Dean Position Proposal**  
Scott Hoffman, Robin Benoit and Julie Horton reported out to the Committee on the accomplishments during the first year of having a Dean Position at The Bromfield School. The Dean focused on attendance and there was a lot of insight gained to why students are absent and tardy. Going forward the administrators would like to see the Dean position continue and focus on scheduling, student/parent communication, strategies for attendance improvement, and the oversight of the "trusted adult program".

Nancy Lancellotti made the motion and John Ruark seconded to move that we approve the position of Bromfield Dean of Students proposal as presented tonight.  
VOTE 4/0

**Grant Approval**  
Dr. Dwight presented for approval the following gifts from the Harvard Schools Trust:  
Each of Us and All of Us: Embracing Diversity - $3,500  
Wireless Mics and Splitters - $815.95  
Scholarship Fund – Nature’s Classroom - $1,200  
Bromfield Robotics Club - $750  
Blanding Turtles Conservation Project - $525
Terezin Project - $1,650  
Engineer Your World – Training course and expenses - $2,250

John Ruark made the motion and Jon Green seconded to approve the grants from the Harvard Schools Trust as presented in the packet tonight.

**Superintendent Report**  
*Request for Teacher Liaison Positions for New School Design*  
Several members of the SBC working group recommended the formation of 5 teacher liaison positions to support the schematic design phase of the SBC. If approved, we would work with the HTA to consider a stipend amount (est. $1,000) for a commitment to attend SBC meetings, discuss the information with colleagues, gather information from teachers and students and help with the design of the new, dynamic school building.

Nancy Lancellotti made a motion and Jon Green seconded to approve up to five stipend positions to support the Building Committee work as teacher liaisons to be further defined by the Building Committee and to be paid up $1,000 each for the upcoming school year.  
VOTE 4/0

*Connecting with Superintendents at a National Level*  
Dr. Dwight informed the Committee that she has been selected to serve on the Suburban Schools Superintendents group. She is honored to be nominated and included in such a well-respected group.

*Follow up on Funding for Summer PD*  
The funding source for the 45K in summer PD granted to teachers comes from the following sources;  
30K designated in the budget as summer curriculum work  
9K written into the Title I grant  
8K designated as tech training PD

*Special Town Meeting Presentation*  
Mary Trapahagen and SusanMary Redinger shared an update on the work of the School Building Committee to the attendees of the Special Town Meeting on June 13th. There were no questions from the public afterwards.

*Athletic Advisory Final Meeting of the Year*  
On June 13th members of the Athletic Advisory Committee met to review the progress of the 2016-17 school year and set some focus areas for next year. The successes of the past year included securing additional funds from the Town, Devens, and Revolving School Account (for uniforms). The Committee also started a database on the uniform replacements, and they combined the district booster funds into the HAA for management oversight and record keeping.  
The members of the Athletic Advisory identified fundraising, spirit days, evening games, updating the athletic website, social media presence, 6th grade participation, schedule consistency, and positive coaching sessions for parents for the 2017-18 school year. We will begin meeting again in September.

*Consideration for Van Purchase*  
We have the opportunity to purchase a van from CASE Collaborative for use by our athletic team and other club needs. The cost of the van is approximately $1,500. This vehicle would help us reduce the cost of bussing to events when the number of participants is fewer than 8.
*New Hires, Retirement Change and Late Retirement/Resignation*
We have hired a new associate principal for the elementary school, Scott Mulcahy. He was recently employed as an assistant principal in Sudbury and prior to that appointment, he taught 5th grade in Hudson. We look forward to working with him on the leadership team.
Also joining the Harvard Public Schools is Emily Sterber. She has been a long-term substitute in Brookline for the past year. She is a recent graduate of Northeast University.
Pam Alexander will remain in our employment for another year. She found out recently that she does not have the requisite number of years to gain retirement benefits. She will fill the job vacancy created by Sharon Schmidt’s move to Bromfield to become the guidance secretary.
Glenn Tarullo, the 6th grade science teacher, submitted his retirement letter during the final weeks of school. A team of teachers are reviewing resume packets to fill this position. Abby Patriquin, the 5 PreK teacher, also submitted her resignation letter. We are collecting resume packets for this position.

*Arm in Arm Reads and Movie Series*
We hosted a kick-off event in Volunteers’ Hall at the Harvard Public Library on June 15th. The group decided to promote the book Waking up White by Debby Irving for the first all town read. Copies of the book are available at the Central Office and follow up discussion groups are planned for 7 PM on July 13th and August 17th.

*Fun Fair Success*
Families enjoyed the annual PTO Fun Fair on June 16th despite the rain which caused the event to move indoors. The special event welcomed older students to volunteer their time to run the events in the gym for the younger students. The PTO reports that the Fair netted $6,000 in profits to be used for their enrichment programs. What a valuable Harvard tradition.

Hildreth Elementary building project update
The following is a list of the actions completed in past weeks:
1. Held a School Building Committee meeting
2. Reviewed the PSR documents for submission to MSBA
3. Planned for a tour of new, local schools with members of the SBC, Visioning Committee, interested community members and teachers.
4. Planned for a special meeting to consider important aspects of the town to include members of town committees, member of the SBC and others.

End of Year Report Out on School Committee/Superintendent Goals
Dr. Dwight reported on the progress of the joint School Committee/Superintendent goals as follows:

**Contract Negotiations** – to conduct successful contract negotiations between the School Committee and the HTA - 100% complete – ratified by HTA and approved by School Committee.

**HES Renovations** -to design and implement modifications to HES making it a safe attractive environmentally efficient building that is consistent with the district Vision and within the financial capacity of the town- 50% complete – Vote for new building secured, MSBA deadlines met, community involved through survey and forums.

**User Fees** – to have a financial plan for athletic expenses that stabilize user fees for at least 3-5 years- 100% complete – Additional funding from Town 25K, Uniforms 8K and Devens 40K.

Review Summer School Committee Meeting Schedule
The Committee discussed their summer meeting schedule and decided to meet on July 11th for a the financial close out, then again on July 31st for a mid-day meeting off site with agenda items to be School Committee/Superintendent Goals and Superintendent Evaluation.
Dr. Dwight reviewed with the Committee the sample reflection write ups she prepared as an example of what she will be presenting for her evaluation evidence. Dr. Dwight also discussed tagging the Superintendent updates she does throughout the year with the standard it covers. School Committee members gave feedback and thanked Dr. Dwight for her work.

**Review meeting minutes**
John Ruark made a motion and Jon Green seconded to approve the minutes of June 12th meeting as presented and amended.
VOTE 4/0

**Liaison Subcommittee reports**
Mary Traphagen – reported that she has signed the warrants and there is a warrant recap of all invoices paid if anyone is interested in reviewing them. Mary Traphagen entered into record a list of invoices on a warrant signed by her and dated June 23, 2017.
Nancy Lancellotti – no report
Jon Green – no report
John Ruark – no report

Experience

Shrewsbury Public School   Sep 2014 - Present
Special Education Teacher  
Shrewsbury, MA  
•Provide dynamic, effective instruction by utilizing student strengths that allows for observation, inquiry, and investigation  
•Effectively collaborated with ELA, Math, History, and Science teachers to design a variety of assessments, units, and lessons for both traditional and special education students.  
•Successfully created, proposed, and piloted a model for Essential Skills students which capitalized on the Special Education Teachers' area of expertise which resulted in the school now transitioning to that plan.  
•Moved 50% of Essential Skills students from a self-contained class to inclusion, which positively affected their social and academic outcomes.
