

November Update - Advanced Learning & Twice Exceptional Learners

Hello Families, Parents, and Caregivers!

We hope you're doing well and that your scholars are engaged in learning as we dive deeper into the school year. The Office of Student Services is eager to offer support for your learner's unique needs and we hope we can work together to develop an equitable process for meeting the needs of our advanced learners. **To this end, we are working to design the future of Advanced Learning in Cambridge and we hope you will participate in this [K-8 Advanced Learning Caregiver November Survey](#).**

Frequently Asked Questions:

- 1. Where can I find resources to support my child with advanced learning needs?**
