

Dear OSS Families,

What an exciting first week back for in-person learning! We saw students reconnecting with their peers, learning the new routines (i.e. handwashing, mask-wearing, maintaining physical distance, etc). Additionally, students enjoyed using the outdoor space for community-building games, mask breaks, lunch, and recess.

Our principals, teachers, paraprofessionals, and Related Service Providers have spent the past few months preparing for your child(ren) return. They have been working hard to ensure that students experience joyful, culturally responsive, and rigorous learning in a safe and secure environment.

However, we want to hear from you on how the experience went in this first week for you and your child(ren). Please fill out this [brief survey](#). It's important for us to receive this feedback so we can make any adjustments as needed.
