**Subject:** City of Cambridge “I Voted” Sticker Contest

---

To the Honorable, the School Committee,

I am excited to announce that the City of Cambridge is holding a contest for a new [“I Voted” sticker design](#), that will better reflect the culture, languages, and people of Cambridge, as well as increase voter engagement, turnout, excitement, and pride—especially in neighborhoods of color and multilingual households. My office has worked closely with Nancy Tauber, Executive Director of the Cambridge Family Council, and Tanya Ford, Executive Director of the Cambridge Election Commission, on this effort.

RSTA Creative Design students from Cambridge Rindge and Latin have submitted their designs and the new sticker will be reproduced and given to voters in celebration of their civic contribution. CRLS students, Cambridge Poll Workers, and the Cambridge Community Engagement Team (CET) Outreach Workers will submit their votes for their favorite design by 3:00 PM on Wednesday, June 2<sup>nd</sup>.

Students will receive VISA gift cards as prizes. I look forward to seeing which of our student designs will be selected as our city’s next “I Voted” sticker! A huge thank you to the RSTA Creative Design Students and Creative Design Educator and Designer Michele Watson Maxwell.

Thank you,

Mayor Sumbul Siddiqui
