TO THE HONORABLE MEMBERS OF THE SCHOOL COMMITTEE:

Revision to File Coding of Wellness Policy

Recommendation: That the School Committee approve the revision of the file coding for the Wellness Policy from "File: EFK" to "File: ADF" in order to align the file coding of this policy to the codification used by the Massachusetts Association of School Committees, which aligns to the NEPN Policy Coding System that is used by the Massachusetts Association of School Committees and the National School Boards Association.

Description: This recommendation will result in moving the Wellness Policy from Section E of the School Committee's Policy Manual to Section A of the School Committee's Policy Manual.
