	Plumbing (B,M)	Plumbing (B)	Prog. & Web Devel. (B,C,M)	Prog. & Web Devel.(B,C,M)
		Sheet Metal (B)		

For example: If you live in Cambridge, and you want to enroll in a Chapter 74-approved program that is not offered at CRLS/RSTA, like Electricity, you can apply to enroll as a full time student starting in the 10th grade & can take Electricity at one of the three SOLVED schools that offers it (B=Boston, M=Medford, or S= Somerville). Certain conditions and restrictions apply, including the availability of space and that your application must be approved by both the receiving school and your local Superintendent by April 1 for admission for the following school year; for further information, contact your local Career & Technical Education Administrator:
